'Woody' comprises a fun and practical upholstered bench and stool that feature the distinct aesthetic of a fallen tree.

This temporary and comfortable perch is both a tongue in cheek response and an intelligent solution.

The simple collection of benches are made with softwood frames, responsive foams and a plush and heavily textured fabric. Available in two lengths and an abundance of colourways, 'Woody' will provide some good old Deadgood fun, either at home, work or play.

Above Woody Large in Febrik Razzle Dazzle (Honey) with oak legs & Woody Stool in Bute Knurled (Grey) and oak.
