

Helsinki

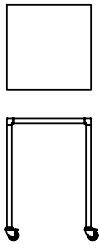

Caronni + Bonanomi - 1998

A wide choice of Helsinki trolleys: all display a simple design and, thanks to a rich range of accessories, each satisfies a different purpose. The ideal accessory for the kitchen or the home office.

Available models

Range of trolleys with disassembling steel frame section mm 30x30 and die-cast joints. Frame with matt lacquered finishes and toughened glass, Fenix® laminate, layered laminate or ceramic tops.
