

Icaro 015

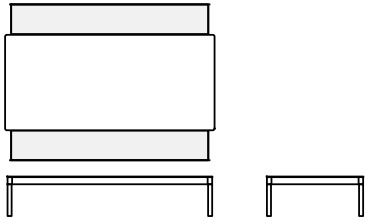

Caronni + Bonanomi · 2015

In Icaro 015, function becomes aesthetics, a flight of design creativity with a structure incorporating pull-out drawers.

Available models

Small table with steel frame and drawers, tops in toughened glass 8 mm or ceramic 6 mm. Drawers on full extension ball bearing slides. Drawers storage accessories in washable black neoprene (optional). Just for aesthetic purposes, it is available a connection bracket made of steel, with the same finishing as the frame.
