

## Sand Light

Pocci + Dondoli · 2010

Lightness is the style trait of Sand Light, light in its look and its weight thanks to a die-cast aluminium frame and a polyester mesh seat and backrest.

Sand Light embodies a successful combination of structural stability and understated elegance.

## Available models

Stacking chair with or without armrests, die-cast aluminium frame. Seat and back with mesh made of polyester thread covered in PVC (Sand Air) and PVC + hemp (Sand Air Canatex / Duo) in different colours. Lacquered versions also available for outdoor use.
