

Skin

Marco Acerbis - 2015

Generous dimensions achieved through an extreme technological research. The Skin table – available in xed and extending versions – is Desalto know-how answer to the continuous technological and functional research.

Available models

Fix or extendible table with extruded aluminium frame. Tops of toughened glass or ceramic 6 mm. In the extendible version, folding leaves in the same material as the top. The fixed table, in some versions, is suitable also for outdoor use.
