

Wok

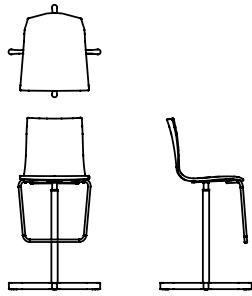

Pocci + Dondoli - 2005

Wok, a stool range with three different frame structures, a chair made of acrylic or upholstered in cowhide, cuoietto, leather or eco-leather, a height-adjustable swivel stool: a wide range to meet all needs in the residential sector or contract world.

Available models

Barstool with acrylic body, also available with eco-leather, leather and cow-hide covering. Swivelling structure with variable height, made of die-cast aluminium and steel tube. Cross base provided with spherical retractable castors, self-locking thanks to the weight of the user.
