

Una famiglia completa e versatile di imbottiti, dai divani alle poltrone, dalla panchetta ai pouf, che si distingue per le forme elegantemente morbide, con braccioli dal profilo sottile nei quali sembrano incastonarsi i piedini in legno, con finitura frassino naturale, wengè e grafite, ed anche in alluminio pressofuso. Il telaio in legno è imbottito in poliuretano espanso indeformabile con quote differenziate e rifinito con fibra di poliestere. Il rivestimento può essere in diverse tipologie di tessuto o pelle di alta qualità.

A complete and versatile family of upholstery, from sofas to armchairs, and benches to poufs, featuring distinctive, elegantly soft shapes, with slender armrests into which the wooden feet are set like jewels, in a natural ash, wengè or graphite finish, or in die-cast aluminium. The wooden frame is padded with non-deformable variable-density polyurethane foam, and finished in polyester fibre. There is a selection of different coverings in fabric or high-quality leather.

Une famille complète et flexible de meubles rembourrés, allant des canapés aux fauteuils, de la banquette aux poufs, caractérisée par des formes au confort élégant, avec des accoudoirs au profil fin dans lesquels semblent s'encaster les pieds en bois, dans la finition frêne naturel, wengé et graphite, ainsi qu'en aluminium moulé sous pression. Le châssis en bois est rembourré de mousse de polyuréthane indéformable de hauteurs variables et recouvert d'une couche de finition en fibre de polyester. Le revêtement est disponible en différentes typologies de tissu ou de cuir de haute qualité.

Eine komplette, flexible Familie von Polstermöbeln - Sofa, Lehnstuhl, Sitzbank und Pouf in verschiedenen Modellen - in eleganten, weichen Formen, mit schlanken Armlehnen, in die sich die Füße aus Holz in den Ausführungen Esche natur, Wenge und Graphit, aber auch aus Aluminium-Druckguss, harmonisch einfügen. Der Rahmen aus Holz ist mit unverformbarem PU-Schaum in differenzierten Höhen und einer oberen Lage aus Polyesterwatte beschichtet. Für die Bezüge stehen verschiedene Stoffe und Leder in hochwertiger Qualität zur Auswahl.
