

BEA

Design by:
Roberto Lazzeroni

Year:
2016

Synthesis of a contemporary thought of vintage spirit, Bea dining armchair by Roberto Lazzeroni that stands out for its neat and refined soul. A perfect item also for the contract sector, that creates an ideal set of passé-partout chairs with Bice lounge chair of which it revisits the measured proportions and enveloping shapes of the shell backrest. With fabric or leather upholstery, it stands out for the light structure in bronze metal. Structure: –Metal Seat and backrest: –Fabric –Leather –Eco-leather
