

NUURA

LIILA 12 WALL/CEILING

Liila is a sculpture for the wall and ceiling from where it spreads an extravagant atmosphere.

Liila Collection has a modular nature that provides a wealth of possibilities to create exclusive arrangements.

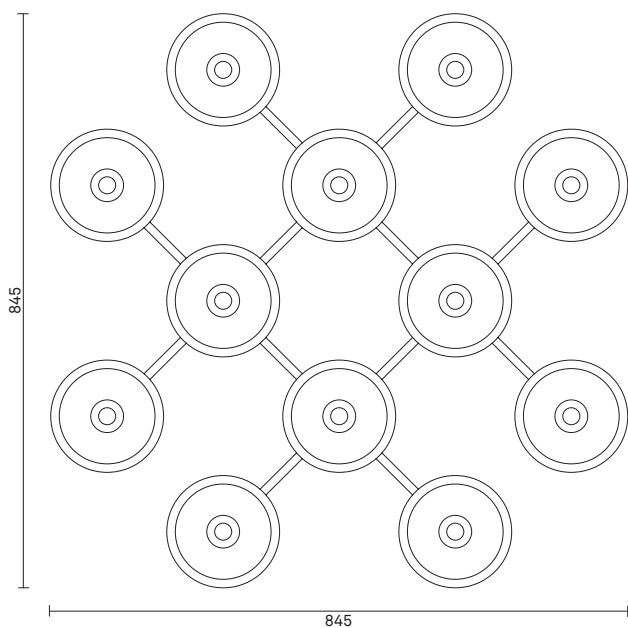

While the optic glass creates sparkeling reflections, the opal white glass completes the minimalistic Nordic look.

Liila 12 Wall/Ceiling is a unique interpretation of the classic chandelier - a sensuous lighting sculpture that reflects the abundance of nature.

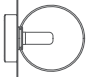

Product number: 04120123 - Optic Clear glass.

Dimensions:
845mm x 845mm

Socket: G9
(Bulb not included)
