Weight: 6 kg

Height: 790 mm

Seat Height: 450 mm

Information

Year: 2012

Description

A collection of outdoor seating products in painted steel tubes and expanded sheet metal. With proven comfort and the convenience of stackability, Jig Mesh chairs bring lightness and transparency to outdoor environments. These chairs combine well with our Tio and Odette table series.

Lead time 8 weeks.

Instructions

For metal surfaces: Rinse with large quantities of water. Clean with wetting agent solution and use a sponge or soft cloth. Post-rinsing and drying. Specific instructions based on type of soiling: Greasy film can be removed with a concentrated wetting agent solution, alcohol or surfactant, after allowing the solution some time to break down the film before removing. Unidentifiable, stubborn dirt can be treated with facade cleaner (e.g., Ambruch2 www.ambruch.de) or Power Wipes www.interflon.net. Note: The specific methods listed here should be tested accordingly for possible damage to the surface.
