

## shelter desk

A personal work desk featuring solid lumber surface with a metal privacy shield that acts as a backdrop to post notes or photographs with magnets. The offset shield provides an opening from the back edge of the wooden top to accommodate wiring needs.

**Specifications** 

Solid steel flat bar available in a flat black, white, or gray powder coat finish with solid walnut, white oak, or ebonized oak top. Powder coat finishes are also available in custom colors.

**Total dimensions** W 50" D 32" H 42 1/2"
