

wired italic lounge chair & ottoman

The Wired Italic Lounge takes its cues from the Wired Family yet the spokes are all angled forward—thus the name Italic. This juxtaposition between the forward leaning spokes and angled back create a unique and dynamic dialogue between the forms. Lounge and ottoman can be purchased individually or as a pair. Available for indoor or outdoor use.

Specifications

Outdoor lounge chair and ottoman comprised of powder coated stainless steel tube outdoor foam, and outdoor upholstery in suggested outdoor fabrics or COM. Indoor version comprised of solid steel bar, available in powder coat, polished chrome, smoked brass, or burnt copper with indoor foam and suggested fabrics or COM. Powder coat finishes also available in custom colors. (COM Requirements = 3 yards for chair, 2 yards for ottoman).
