

ACE design Jean-Marie Massaud 2007

With its elegantly graceful lines, Ace is a high-back chair ideal for both the home and public spaces. Aware that there was no other armchair combining a decent, comfortable support with such a light, slender design, Jean-Marie Massaud has managed to carve a unique niche market. Ace is suitable for both outdoor and indoor use and is widely used in lobbies and waiting areas.

Restyling our successful Ace armchair, now with slightly reduced dimensions, a new extra comfortable back and new finishes for use in the home or in business establishments.

Different fabrics can be mixed and matched on the seat and back as well as zip and base colours.
