Care Instructions:

Wipe with a wet cloth. Do not use chemical cleanser. To preserve the original finish, avoid leaving in direct sunlight for extended periods of time.

To ensure the good condition of the product, we recommend to store it indoors and in dry areas during winter.

To preserve the original finish we recommend to keep the product away from water sea, if the product is kept near the sea, it is recommended to clean it regularly with a soft cloth only using water. Prolonged exposure to sunlight may alter colour tone and may even cause discolouring.
