 *Ottoman - Stand alone or connect with other units

The Elle Sofa system is comprised of separate modules that can be ordered in any combination to create sofas and sectionals. Available in two depths where Standard units have a seating depth of 27.5" and Deep units have a seating depth of 35.5".

**BEN
 SEN**

The seat and arm cushions are engineered with a layered foam core and wrapped in a generous amount of feather and down to provide the perfect amount of support. The cushion covers are precisely sized to give a soft casual appearance without looking sloppy or loose. Down back cushions complement the softness and appearance of the seat, while the L shaped frame retains a crisp tailored form. All fabric covers are attached by Velcro and are removable for easy cleaning or replacement.
