my chair SERIES / [friendsfounders.com](https://www.friendsfounders.com)

design by Ida Linea Hildebrand 2013

- STRONG SILHOUETTES

MY CHAIR is a chair for many purposes.

It is surprisingly comfortable even though it looks sharp and edgy, a characteristic that gives the chair its deserved attention. The open back and clean silhouette welcome the chair in several different contexts. Its volume does not take much space from its surroundings. Thus, it is a chair that fits in both modern and historical settings.
