TOOLS FOR WORK

SAW BENCH & SAW TABLE Furniture to support you for different kinds of work, like back in the old days where homes had just one piece of furniture to serve almost all purposes!

The table and bench is made of a thin V-frame construction for a light appearance. The divided tops in solid wood enhances the raw look. Use it and wear it. Adore the "weathered look" and let's grow old together!

info

TABLE & BENCH in metal and ash wood or marble / matt finish.
Top and seat available with ROUNDED shape or devided in two parts for a
"Plank" appearance.
