**AMY**  
bookcase

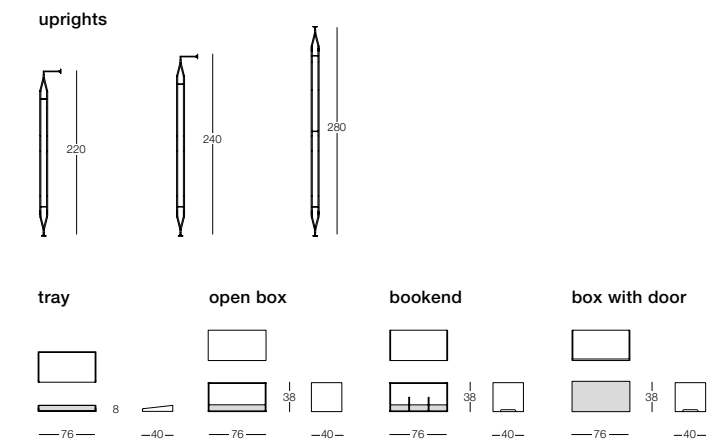

Design: Euro Sironi

Thanks to the uprights with brass details so contemporary yet timeless, the bookcase Amy becomes a cross-thought element which could decorate a metropolitan loft or a cosy dwelling by a lake.

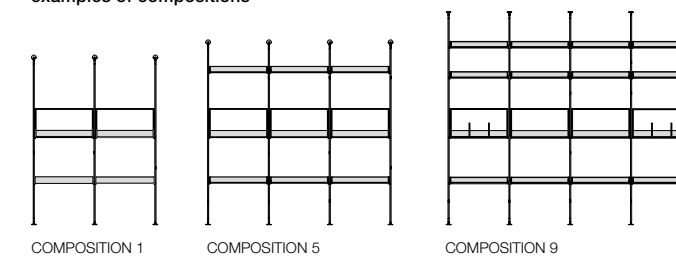

-

Grazie ai suoi montanti dai dettagli ottonati così contemporanei e senza tempo, la libreria Amy diventa un elemento trasversale che può arredare sia un loft metropolitano che un'intima dimora fronte lago.
