Le composizioni ad angolo possono essere realizzate in due modi:

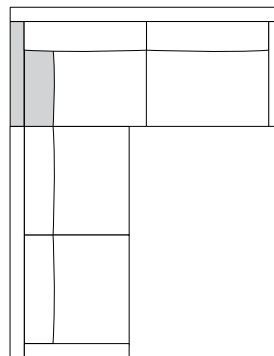

- 1 utilizzando l'angolo, per un allineamento preciso dei cuscini
- 2 utilizzando gli elementi "terminale angolo" o "dormeuse angolo" (vedere disegni seguenti). Su questi articoli è aggiunto un cuscino schienale sul lato utilizzato per creare l'angolo, che però è fisso, non può essere rialzato.

*The compositions can be realized in two ways:
1 using the corner, for a perfect alignment of the cushions
2 using the elements "terminale angolo" or "dormeuse angolo" (please see following sketches). On this element one back cushion is added to the corner side, but this cushion is fix, not raisable.*
