

Designed by Paul Leroy

**PRODUCT**

Item no.:  
22003-XX  
+ style code

**COLOURS**

// Chrome frame // black leather // black frame // black leather

**DESCRIPTION**

The Leroy Collection features two unique and very sculptural designs: The Aoyama Table and the A3 stool. Aoyama, a district in Tokyo famous for its fashion houses, restaurants and interesting shops, is where Paul Leroy found his inspiration for the Aoyama table. The inspiration for the stool frame is the letter 'A' while the dimension of the seat match a sheet of A3 paper.

The A3 stool consists of moulded foam seat fully upholstered in textile or leather and a frame that comes in black powder coated or chrome plated steel.

**VERSION**

A3 STOOL black powder coated frame/ RAL 9005 // fully upholstered  
A3 STOOL chrome plated frame // fully upholstered

**TYPES**

Order item - look for part number in the pricelist.  
The series consists of the following:

**A3 STOOL  
AOYAMA TABLE**

**FACTS**

**MEASUREMENT**  
Height: 810 mm  
Width: 470 mm  
Length: 380mm  
Seating height: 770mm

**WEIGHT ITEM**  
xx kg

**PACKAGING TYPE**  
Cardboard box, Chipboard, Foam

**PACKAGING MEASUREMENT** Ø40- L X W X H CM  
L: xx X W:xx X H:xx CM

**WEIGHT PACKAGING - MATERIAL TYPE**  
- Delivery note: 5 g  
- Cardboard box, FEFCO quality EB85BB: 2192 g  
- Polybag PE: 200 g  
- LD-EPE foam protector: 100 g  
- Strapping: 10 g

**WEIGHT PACKAGING - TOTAL**

xx kg

**NUMBER OF PARCELS**  
1 psc.

**UPHOLSTERING - W X L**  
- Fabric: 140 cm x 55 cm  
- Leather: 6 sq feet

**MEASUREMENTS**

**CLEANING AND MAINTENANCE**

For cleaning the upholstered surface, first try to brush off the dirt gently. If this is not enough then vacuum the surface.

If further cleaning of the padding is needed, a stain remover is recommended. The cleaning has to be gentle and must always be tested on the most invisible area of the surface before the actual cleaning. Avoid blotches by gentle, circular rubbing towards the stain.

To avoid stains, quickly remove the dirt with a piece of absorbing household wipe and clean with water and colourless washing-up liquid.

Do not use the following products for the padding:

- Undiluted cleaning liquids.
- Bleach.
- Ammoniac.
- Soap for hard surfaces.

For dusting and light cleaning of the frame use a soft, dry cloth.

For further cleaning of the frame, use a soft cloth that is firmly wrung in clean water for gently wiping the surface, and then immediately use a dry cloth to wipe the surface again.

If more thorough cleaning is necessary, use a mild detergent or washing-up liquid dissolved in water on a firmly wrung cloth to wipe the seat. Afterwards, repeat the process with clean water as described above.

Polish with a soft cloth after wiping.

Do not use materials for maintenance that:

- Contain abrasive agents.
- Are basic, acidiferous or organic.

For the best maintenance of the product, protect it against sunlight and heat, and try to keep it away from moisture, grease and other dirt.

Furthermore, protect the surfaces against sharp objects and other that might scratch.
