ACCESSORIES

**Defective frame and topplate can be replaced.*

-

CLEANING AND MAINTENANCE

For dusting and light cleaning of the frame and glass table top use a soft, dry cloth.

For further cleaning of the frame, use a soft cloth that is firmly wrung in clean water for gently wiping the surface, and then immediately use a dry cloth to wipe the surface again.

If more thorough cleaning is necessary, use a mild detergent dissolved in water on a firmly wrung cloth to wipe the seat.

Afterwards, repeat the process with clean water as described above.

Polish with a soft cloth after wiping.

Do not use materials for maintenance that:

- Contain abrasive agents.
- Are basic, acidiferous or organic.

For the best maintenance of the product, protect it against sunlight and heat, and try to keep it away from moisture, grease and other dirt.

Furthermore, protect the surfaces against sharp objects and other that might scratch.

Marble - see guide for marble maintenance.

ENVIRONMENT

Parts can be separated and sorted for recycling.
