

Stay Collection // Bed - Low backrest

Designed by SPACE

PRODUCT

DESCRIPTION

Stay here, stay with me, stay relaxed, stay and read... Stay Collection, consisting of two lounge chairs and three sofas, has a sculptural and organic shape that, besides from giving a contemporary look, also embraces the user and encourages to stay seated. The characteristic shape is almost like a singular continuous pencil stroke wrapping a solid texture. The collection is suitable for both public spaces and private homes as its small size fits very well to populate spaces of limited size where keeping cosiness and comfort are essential. The upholstery will be removable on the bed frame.
