cleaning instructions

Note: Clean lamps when they're not in use.

The Pet Lights can effectively be cleaned using a regular household dust cloth (like microfibre) or feather duster. Try to avoid fingerprints on the golden surface. If the golden surface needs cleaning, please use a mild detergent on a cloth and rub gently.

Moooi recommends to always carefully read the label and instructions of cleaning products you wish to use on Moooi products. Please [contact your nearest Moooi dealer](#) for more information about cleaning your Moooi products.
