

COVENT CHAIR

The Covent Dining Chair displays a comforting simplicity, a warm embrace suitable for an evening around the dinner table or curled up with a book. Inspired by the geometry of Mondrian's line work, its slim frame shows an asymmetry that defies its strength, presenting a floating cocoon of soft fabrics or leather. A chair that has paired traditional craftsmanship with a truly modern form.

About the Designer ARDE

The work of ARDE displays a paired back aesthetic and holistic approach to ideation and production. Since 2003 he has worked for some of the worlds leading industrial design and furniture companies, further refining his approach to design. This lead to ARDE establishing their own studio in 2014 with their work already featured in the collections of prominent companies throughout Europe and beyond.
