

Karl-Johan Pendant Lamp

Signe Hytte

The Karl-Johan pendant lamp focuses on the soft yet distinct silhouette of its predecessor. The material combinations of the table and wall lamp have been removed, allowing the rounded glass form to shine brightest. A compact LED light source bounces light around the globes interior, creating a volume free of visual interference. The latest Karl-Johan family member has all the required ingredients, and nothing more.

Materials

Shade in mouth blown opal or smoked glass with black powder coated steel fitting included dimmable LED light source and black PVC cord.
