

LANTERN TABLE LAMP

Bringing the soft illumination of its pendant predecessor, the Lantern Floor and Lantern Table Lamp complete this iconic family. Inspired by traditional Chinese rice paper lanterns, their frosted glass forms replicate that weightless glow. Firmly keeping this sculptural shape centre stage, a simple black steel base raises up its warm glow.

About the designer Anderssen & Voll

Established in 2009, Anderssen & Voll create desirable and ground-breaking objects for the home environment. An approach shaped by their previous roles within pioneering Norwegian firm Norway Says, with Torbjørn Anderssen and Espen Voll being founders and running partners. Their interest in cultural forms can be seen within their elegant and understated pieces for some of Europe's most renowned brands.
