

Missing Chair

Regular Company

The Missing chair appears as if a simple line drawing has sprung into life. Sensual yet strong, the soft curve of each line creates a whimsy that is hard to describe. Straight lines have been softened, allowing the timber seat and back to appear as if floating above the thin steel frame. What remains are the bare essentials in our own interpretation of the humble cafe chair: light, stackable and durable, completed by a highly comfortable silhouette.

Materials

Powder coated steel frame with seat and back in moulded plywood. Seat and back comes in selected wood veneer or/and upholstery.
