## BLOSSI 1

Design: Sofie Refer, 2018. EU-model.

**Blossi 1 in mouth blown Clear glass and Nordic Gold metal finish.**

Inspired by the golden light during the Nordic fall, Blossi Collection is designed to give an indirect and soft light.

A special recessed LED provides a soft light reflected in the metallic finish of the shade. Blossi Collection has beautifully rounded glass lampshades that complete the soft appearance.

The Blossi collection has a wide variety of uses and is suitable for both domestic and public spaces.

**Blossi 1** works perfectly as a single pendant or more pendants in lines or grouped over a table or desk.
