**Total dimensions** L 6 1/2" W 1 3/4" H 21"

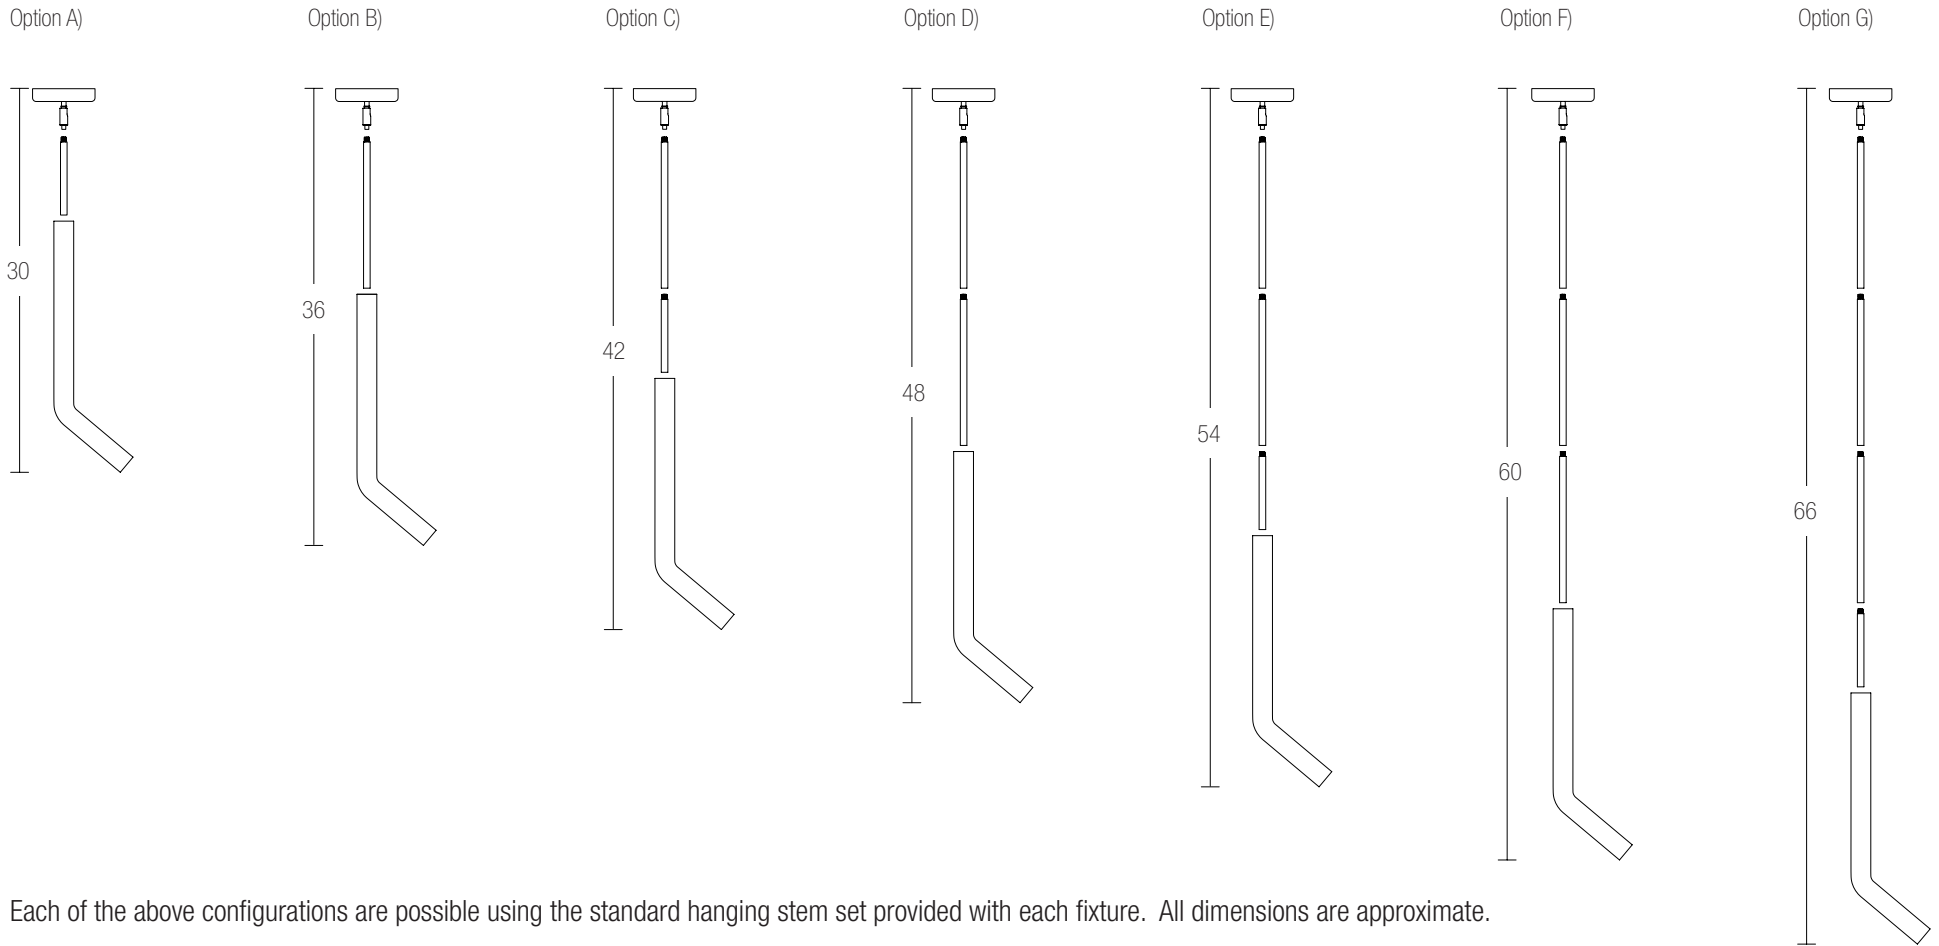

# Hanging Height Options

## Open Mic Hanging Light

Each fixture includes a hanging stem set comprised of a stem, hang-straight hardware, and canopy. The stem pipe connects to a middle plate within the fixture and is split into (3) 12" & (1) 6" stem tube lengths. This allows the fixture to be hung with the bottom of the fixture up to 70" from the ceiling. Should a longer hanging height be required, extra stem tubes may be ordered.

Each of the above configurations are possible using the standard hanging stem set provided with each fixture. All dimensions are approximate.
