

points of interest coffee table - with wood base

An architectural coffee table solution with two level inspired by Mies van der Rohe's Barcelona pavilion, the base allows for display of books and collectibles while the delicately balanced glass surface is suited for serving. Solid brass beams protrude from solid lumber, supporting the glass top.

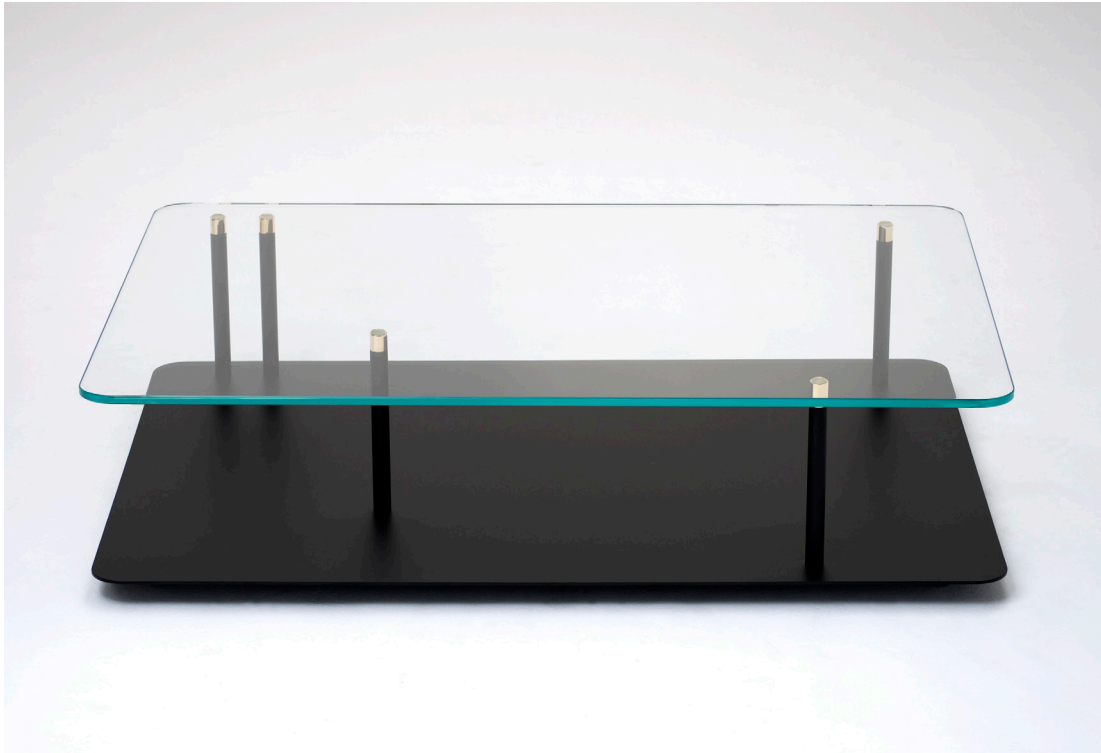

Specifications Solid wooden base available in walnut, white oak, ebonized oak. Support columns available in solid brushed or polished brass. Glass available in bronze, starphire, or smoked glass.

Total dimensions Square: W 38" D 38" H 11 1/2"
 Rectangle: W 35" D 50" H 11 1/2"

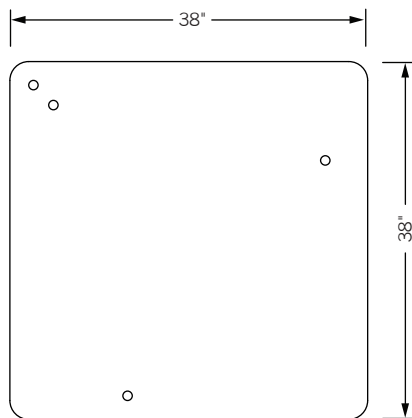

points of interest coffee table

An architectural coffee table solution with two levels. The base allows for display of books and collectibles while the delicately balanced glass surface is suited for serving. Polished solid brass tips act as subtle yet jewel-like connections to the starphire glass.

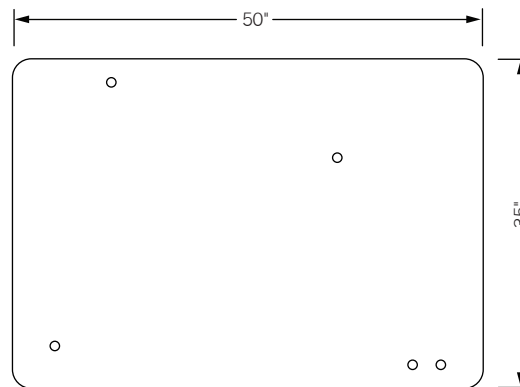

Specifications Powder coated steel base with solid brass tips and available with starphire glass top. Powder coat finishes available in flat black, flat white, or flat gray.
