

wired dining table

Blending sloping angles and taut lengths of bent metal are a modern interpretation of the wiry idea initially conceived by Warren Platner. This dynamic dining table will be the conversation starter at your next dinner party.

Specifications Solid steel bar with solid wooden top, available in walnut, white oak, or ebonized oak or white carrara marble top. Steel bar available in gloss or flat white and black powder coat, polished chrome, burnt copper, or smoked brass finish.
