PLEASE WAIT

This cheeky table lamp is just asking to be touched. We think it looks like a shepherdess or an angel. Or an oyster. A classic, simple expression. Definitely a 'she'. As with all our designs, tactile interaction is key. The soft light from the hidden LED bulb reflects off the inside of the bowl. Just tilt her 'face' to turn her on or off, brighter or dim.

The BLOOPER is ideal for what the Danes call "krinkelkroge", or nooks and crannies – adaptable and easy to move around, she can provide an intimate livingroom and bedside ambience or spotlight a working surface. If you feel your life has too many corners, this lamp is the perfect antidote.
