Mesh Space Wall Light

Designer- Flynn Talbot/ Year 2015

Like the remarkable Mesh Space Pendant, this matching Wall / Ceiling light is constructed around a seamless ring of LED light. Here it sits vertically or horizontally to create a warm and functional light loop. The flattened mesh dome reflects light into the space and also filters the light onto the wall. The driver is contained within the base for easy installation on new and retrofit interior projects.

Wall light

140mm (5.51")

∅ 252mm (9.92")

Product Description

Wall Light

Product Code

MSW001

Materials

Aluminium

Colour Options

Frame - Anodised Gold

Bulb Specs

Voltage - 24V

Power Usage - 14W

Lumens - 1020

Colour Temperature - 2700K

CRI - 80

Average Life Span - 50,000 Hours

Dimming Options

Comes as standard with a 1-10V dimmable driver

Packaging Dimensions

W 31 x D 31 x H 20 cm

W 12.2 x D 12.2 x H 7.8 inch

CBM - 0.02 / CBF - 0.68

Packaging Weight

2kg / 4.4 lbs

Certification

CE. Can be UL certified upon request

Warranty

3 Years
