

Mabel
Donna Wilson

The Mabel sofa is Donna Wilson's second large upholstery piece for SCP. The sofa is made from a European hardwood frame, jute webbing and hessian straps and then covered with a mix of materials that includes natural fibres, animal hair and wool. It has four large full feather button upholstered cushions that sit neatly within the rounded frame. The back and arms of the frame gently arc inwards, creating a crescent shape to accommodate the seat and back cushions. The legs are turned beech and have a gentle inward taper. The Mabel sofa hints at a North European heritage, devoid of superfluous details, comfortable and serene. The Mabel sofa is shown in a specially commissioned Donna Wilson printed linen, only available through SCP. Made in the UK.
