

JEANETTE SEATING COLLECTION

JEANETTE LOUNGE CHAIR

With its low-line silhouette, Jeanette is designed for the outdoors with the sophistication of an indoor armchair.

The wire grid of the seat is seemingly suspended from the soft arc of the arm and backrest which creates both comfort and timeless elegance.

Each design in SP01's outdoor collection has undergone rigorous testing to ensure longevity even in the harshest of environments - the australian outdoors.

MATERIALS

A bent steel rod and wire chair family treated with three layers of protection: zinc primer, cataphoretic dip and powder coat.

Chair available in RAL9017 black and RAL9002 white.

Optional upholstered soft seat cushion available in outdoor fabrics and indoor fabrics and leathers.

DESIGNER

Tom Fereday, 2019
