

JEANETTE SEATING COLLECTION

JEANETTE BARSTOOL

With its low-line silhouette, Jeanette is designed for the outdoors with the sophistication of an indoor dining chair.

The wire grid of the seat is seemingly suspended from the soft arc of the arm and backrest which creates both comfort and timeless elegance.

MATERIALS

A bent steel rod and wire seating family treated with three layers of protection: zinc primer, cataphoretic dip and powder coat. Every stool comes with a seat pad in matching color made from EVA foam and 100% Polyester fabric Ibiza, specially treated for outdoor use.

Stool available in RAL9002 white with seat pad in Ibiza light greige and RAL9017 black with seat pad in Ibiza black.

Optional upholstered soft seat cushion available in outdoor fabrics or indoor fabrics and leathers.
