

JEANETTE TABLE COLLECTION

JEANETTE SIDE AND COFFEE TABLES

Offering a range of new materials and finishes, the addition of the Jeanette coffee table range explores natural materials combined with intricate and sophisticated detailing.

Machined grooves on the table's surface create an elegant feature while highlighting the beauty of natural stone and also functioning as water drainage.

MATERIALS

Table structure made of stainless steel, available in RAL9017 black.

Table top always in half ridged design and available in sealed Terracotta and in marbles Bianco Carrara, Nero Marquina, Verde Guatemala and Rosso Levanto in polished finish.

All finishes are suitable for outdoor.

DESIGNER

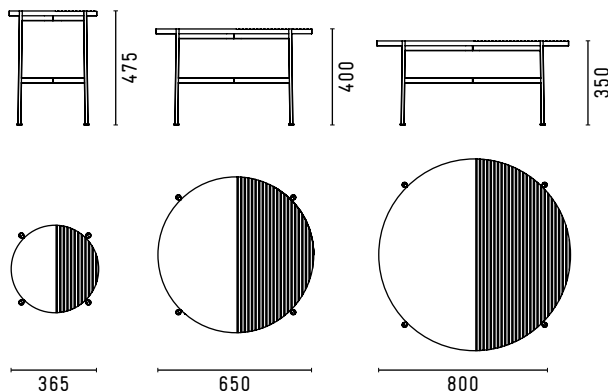

Tom Fereday, 2019
